Testimonials.

Paul and Jaquie were fabulous! I can't believe they don't do more together. They are both so quick and witty that the banter was seamless and any adlib (which we encourage) was well received and very funny. I'd have no hesitation recommending them as an MC duo.

Loved working with Jaquie Brown as co-host for the 2020 Voyager Media Awards online ceremony. She looked great, her delivery was wonderful and, most importantly, she was cheerful and professional when some unexpected technical hitches made for a longer day than expected. At one stage we had to re-record a sizeable chunk of work due to a sound echo, and she just took it in her stride. Great fun, quick and clever with the quips, lovely voice.

Jaquie recently MC 'd and wrangled more than 300 Foodstuffs supermarket owners and executives for our bi-annual conference—with flair, humour, skill and grace. The consummate professional with a gentle warmth and attention to detail, Jaquie made an outstanding contribution to the overall success of the event. We would love to work with her in the future!
